Extract from the report of the Chief Justice. Mr. C.S.Doraswami Iyer on question of establishment of civil courts.

I am favourably impressed with this proposal (Estt. of a Munsiffs' Court at Honnali) because the conditions of Malnad districts require special consideration and an additional court at Honnali will add to the facilities of the three taluks concerned in the matter of their civil litigation. I would therefore suggest that instead of a temporary Munsiff's Court as sanctioned by Government for the period of one year to clear off the arrears of the Shimoga and Sagar Munsiffs' Courts, a Court may be established tentatively at Honnali with local jurisdiction over the taluks of Honnali, Shikarpur and Chennagiri. To this Court the pending cases of these taluks may be made over, thereby relieving the present congestion in the Sagar and Shimoga courts. And moreover it will enable us to gauge what volume of work this court will receive from fresh institutions. At the end of the trial period, which for the present may be fixed at a year or two, we will be in a position to ascertain the needs of the locality and the necessity or otherwise of its continuance. I will not be very difficult to get the necessary accommodation at Honnali.

No. 759

Sir,

With reference to the Government Order No. P. 5239-53/Cts. 263-26-1 dated 4-4-27 sanctioning a temporary District Judge's Court and a Subordinage Judge's Court and a permanent Small Cause Court to be established in Bangalore with effect from 1st July 1927, we have the honour to state that we met to day to consider about accommodation for these courts. There is no space available in the District Office buildings except the space to be got by the shifting of the Additional Munsiff's Court to Closepet. If one of the temporary Munsiff's courts referred to in para 4 Cl:(5) of the Government Order is to be located in Bangalore even that space will not be available.

2. If the new building to the right of the District Office buildings which was originally constructed for the Magistrates' Courts but

ld. recently handed over to the University is given back to us it will accommodate all the new courts. We make this proposal because we understand that the 1st year B.A., class which is one of the biggest classes in the central college will be removed to the present High School building which ~~which~~ will be converted into an Intermediate -- college.

3. In order to ascertain the exact accommodation required we wish to know the establishments that will be sanctioned to the temporary and the permanent courts.

4. After receiving reply to this letter we will submit further definite proposals for the -- approval of Government.

Sir,

With reference to correspondence ending with your letter No.P.6059-60/Cts. dated 23rd May 1927 in the matter of the ~~xxxxx~~ accommodation for the Munsiff's Court at Closepet, I have the honour to state that the District Judge, Bangalore Division and myself inspected all the available buildings in Closepet town and have selected a bungalow belonging to one Chikkannachari at the nothern end of the town, (~~xx~~ the point where the Bangalore-Mysore road bifurcates). The District Judge was of opinion that with the addition of one room the building will suffice for the Munsiff's Court.

2. I enclose a rough plan of the building. It will be seen therefrom that it will suffice for the Court, if a large room 30' x 12' is built at one end of the building. This the owner has undertaken to do within 15 days. He has also agreed to rent out the building at 30 Rs. per month and to execute the following works:-

(i) Building up the compound wall;
(ii) Putting in thorough order the building and
(iii) Providing two additional windows to the hall.

3. No other building except this is, in our opinion, suitable for the Munsiff's Court in Closepet Town. We also saw some houses which were said to be available for being rented to the Munsiff.

4. I request you to let me know if the building may be taken

taken up, and if so, from what date and for how many years.
